

# LESSONS FROM RONNY

Inspired by Ronny Just

**Don't make a way that should not be made  
Don't tell a lie that you don't want repeated  
Don't be a friend if you're not genuine  
Don't ask if you're unwilling to give  
Don't be afraid to admit when you're wrong  
Don't compromise your values to succeed  
Don't do anything half-heartedly  
Don't disrespect to be respected  
Don't try to steal someone else's spotlight  
Don't be candid if you don't want candor  
Don't give up just because it's convenient  
Don't second guess when you know the answer  
Don't make promises you can't keep  
Don't forget everyone else has a journey, too  
Don't speak if you don't want to be misrepresented  
Don't smile if it can't reach your eyes  
Don't forget to laugh at yourself at times – Others do  
Don't underestimate the power you have within  
Don't hesitate to forgive others  
Do unto others as you would have them do unto you**
